

MORE HEALTH SUPPORTS COST CONTAINMENT

Our employee benefit provides high quality healthcare decreasing your healthcare costs by reducing overtreatment and the wasted treatment of misdiagnosed conditions. MORE Health delivers your employees access to the world's best physicians for Co-Diagnosis and Independent Second Opinion to deliver an accurate diagnosis and the optimum treatment plan for serious illness.

Poor quality healthcare costs an employer an estimated additional \$1,900 to \$2,250 per covered employee per year.*

+MBGH, "Reducing the Costs of Poor-Quality Health Care" (2003)

\$3.8M
in productivity is lost each year per 10,000 employees, in addition to medical costs.*

* Population Health Management, "Measuring Health-Related Productivity Loss" (2011)

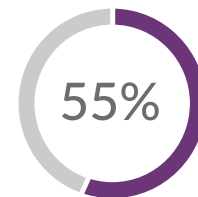

QUALITY OF CARE

Serious illness affects a significant percentage of the population, as well as having life-changing implications for the patient. The quality and completeness of care offered is inconsistent.

of medical cases are misdiagnosed

JAMA, "Bringing Diagnosis Into the Quality and Safety Equations," (2012)

Patients receive the correct treatment less than 55% of the time

New England Journal of Medicine, "Quality of Health Care Delivered to Adults in the United States" (2003)

CASE STUDY

\$271,800 potential annual Cost Savings per 1,000 employees

2% annual serious illness incident rate 62% change rate of diagnosis or treatments due to second opinion Potential savings due to incorrect/unnecessary treatment @ \$25,000/case	= 20 incidents = 12 cases = \$300,000 savings
MORE Health services @ \$2.35/employee/month (average net of commission)	= \$28,200 cost
TOTAL POTENTIAL NET SAVINGS	= \$271,800 savings
